(3) If a rule under this section authorizes an officer of the Government to expend any public money in the event of default on the part of an agent to comply with any rule under that section, the money, together with simple interest thereon at the rate of six per cent. yearly, shall be recoverable from the agent under the provisions of the Public Demands Recovery Act, 1880.

(4) Nothing in the last foregoing clause shall be construed to bar a prosecution for any breach of a rule where the breach thereof has been made punishable in pursuance of the power conferred by clause (2) of this section.

## STATEMENT OF OBJECTS AND REASONS.

THE Inland Emigration Act of 1882, following in this respect the tenour of the law previously in force, makes ample provision for the sanitary arrangements connected with "labourers" on their way to Assam; but little benefit results, because the definition of "labourer" given in the Act is so restricted that it does not, under existing circumstances, apply to the majority of the emigrants during their journey through Bengal. The term is limited to persons who have executed labour contracts—a proceeding now very generally deferred until the emigrants have arrived at their destination, or at least until they have passed beyond the confines of Bengal. The expediency of permitting contracts under the Act to be postponed to so late a stage is under consideration, but meanwhile it is urgently necessary to provide for the sanitary supervision of emigrants on their journey, and particularly for the inspection of the lodging-houses and depôts in which they are detained. This has been done in the present Bill by giving to the Lieutenant-Governor power to make rules for the sanitary protection of all emigrants, similar to those which he exercises under Act I of 1852 in regard to "labourers."

an exclusive right of fishery, and in which fish are not confined but have means of ingress and egress.

"Fixed engine"

means any net or other implement for taking fish, fixed in the soil or made stationary in any other way,

3. Any person who commits any of the following offences:—

- (1) fishes in any private waters not having a right to fish therein:

Penalties.

- (2) erects places, maintains or uses any fixed obstruction or fixed engine in private waters, or puts, or knowingly permits to be put therein, any matter for the purpose of facilitating the catching or destroying of fish without the permission of the owner of such private fishery or the person to whom the right of fishing therein belongs:

#### STATEMENT OF OBJECTS AND REASONS.

The object of this Bill is to constitute the infringement of private rights of fishery an offence, to render a trespass for the purposes of such infringement also an offence, and to provide for punishment in respect of the unlawful use of contrivances for the purpose of taking fish.

2. The reason for legislative interference is that, under the existing law, private rights of fishery are not effectively or sufficiently protected.

4. Proceeds from fines, &c., to be credited to Police Superannuation Fund, or such other Fund as the Local Government may direct.
5. Local Government may make rules for granting pensions and gratuities.

No. II of 1889.

*A Bill to consolidate the Calcutta and the Suburban Police Superannuation Funds.*

WHEREAS it is expedient to consolidate the Calcutta Police Superannuation Fund constituted under section 16 of Bengal Act IV of 1866 (the Calcutta Police Act, 1866), and the Suburban Police Superannuation Fund constituted under section 10 of Bengal Act II of 1866 (an Act to provide for the better regulation of the Police within the Suburbs of the Town of Calcutta); It is enacted as follows:—

1. Section 16 of Act IV (B.C.) of 1866, and section 10 of Act II (B.C.) of 1866, from the words "and shall be applied" to the end of the said sections, respectively, are hereby repealed.

2. The Police Superannuation Funds, constituted respectively under section 16 of Act IV (B.C.) of 1866, and section 10 of Act II (B.C.) of 1866, shall be consolidated, and shall form one Police Superannuation Fund; and shall be applied from time to time to the payment of the charges incurred in the control and management of the said fund, and of such superannuation or retiring allowances or gratuities as may be ordered by the Local Government at any time to any Police Officer of the Calcutta or Suburban Police Force or to any person employed as a clerk to manage the said fund:

Provided that any such Police Officer or clerk may be dismissed or removed without a superannuation allowance; and that no such Police Officer or clerk shall be entitled as of right to any allowance from the said Fund, or shall retain any right to a refund of any deduction made from his pay while employed as such Police Officer or clerk.

3. Section 17 of Act IV (B.C.) of 1866, and section 11 of Act II (B.C.) of 1866, are hereby repealed.

4. All sums accruing from stoppages from Police Officers of the Calcutta or Suburban Police Force during absence from sickness or other cause, and fines imposed on such Police Officers for misconduct, and from fines imposed by Magistrates upon drunken persons, or for assaults upon such Police Officers; and all moneys arising from the sale of worn or cast-off clothing or other articles supplied for the use of such members, shall be credited to the Police Superannuation Fund, or to such other Police Fund as the Local Government may, from time to time, direct.

5. The Local Government may, from time to time, make rules to regulate the granting of pensions and gratuities out of the said Fund.

STATEMENT OF OBJECTS AND REASONS.

• The Superannuation Funds for the Police Force of the Town and the Police Force of the Suburbs are at present distinct, and the former is in a flourishing financial condition, while the latter is clearly not solvent. This has been brought about by causes which indicate that the burdens of the one fund have in many cases been thrown upon the other, that for executive purposes the two forces have often been treated as one, and that it would be an act of substantial justice to consolidate the two funds.

94. The Commissioners shall also frame a scale of charges for any services to be performed by the Commissioners or their servants in respect of any vessel or goods, or for the use of any works or appliances to be provided by the Commissioners.

95. The Commissioners shall also frame a scale of tolls, annual or other, to be paid by the owners of any vessels plying for hire, whether regularly or occasionally within, or partly within and partly without, the limits of the Port:

## (Part VIII.—Of Levying Tolls and Rates—Sections 98—105.)

will be so insufficient, then and in every such case the Commissioners shall, upon the requisition in writing of the Local Government, from time to time, and to the extent requisite in every case, charge upon all goods landed from or shipped into any vessel lying or being within the limits of the port, whether such goods shall or shall not be so landed or shipped at any dock, wharf, quay, stage, jetty, or pier belonging to the Commissioners, such tolls, dues, rates, and charges, in addition to or other than those prescribed by any scale of tolls, dues, rates and charges for the time being in force under the provisions of sections ninety-two, ninety-three, ninety-four, ninety-five and ninety-six as well, when added to the said income of the year, suffice as nearly as may be for the payment of the said sums in full.

98. Such tolls, dues, rates, and charges shall be fixed and adopted by a resolution of the Commissioners at a meeting, and shall be submitted to the Local Government; and if the same shall be approved by it, shall be published in the *Calcutta Gazette* and shall forthwith come into operation and remain in operation until altered or revoked by the Commissioners at a meeting with the sanction of the Local Government, and shall be leviable and recoverable in like manner as any other tolls, dues, rates, and charges payable under this Act.

99. In case the Commissioners shall, for fifteen days after the receipt by them of any such requisition from the Local Government as in section ninety-seven is mentioned, neglect or refuse to charge such tolls, dues, rates, and charges, it shall be lawful for the Local Government, by an order published in the *Calcutta Gazette*, to charge such tolls, dues, rates, and charges.

(2) And the tolls, dues, rates, and charges mentioned in such order shall have such and the same effect as if they had been fixed and adopted by the Commissioners at a meeting, and approved by the Local Government and published in the *Calcutta Gazette*, as in section ninety-eight is mentioned.

100. For the amount of all tolls, dues, rates and charges, duly leviable under this Act in respect of any goods, the Commissioners shall have a lien on such goods, and shall be entitled to seize and detain the same until such tolls, dues, rates, and charges are fully paid. Toll, dues, rates, and charges in respect of goods to be landed shall become payable immediately on the landing of the goods. Toll, dues, rates, and charges in respect of goods to be removed from the premises of the Commissioners, or to be shipped for export, shall be payable before the goods are removed or shipped. The lien for such tolls, dues, rates, and charges shall have priority over all other liens and claims, except for general average, for the ship-owner's lien for freight upon the said goods where such lien exists and has been preserved in the manner hereinafter provided, for primage, and for money payable to Her Majesty or the Secretary of State for India in Council under any law for the time being in force:

Provided that nothing in this Act shall affect any power or authority vested in the Chief Officer of Customs under any law for the time being in force.

101. The Commissioners shall not be liable for any damage which may be sustained through any cause not arising from negligence on the part of the Commissioners, to any goods whether landed for import or received for export during such time as the said goods remain in the possession or under the control of the Commissioners.

102. The Commissioners shall immediately upon the landing of any goods take charge thereof and store such as are liable to suffer from exposure in any shed or warehouse belonging to the Commissioners. If any owner, without any default on the part of the Commissioners, fail to remove any goods from the premises of the Commissioners within forty-eight hours from the time of landing, such goods shall remain on the premises at the sole risk and expense of the owner.

103. Whenever the owner of any goods fails to remove the same within the time specified in the last preceding section, the Commissioners shall give notice to the consignee or owner of such goods, if his address be known by letter sent by post to such address or left thereat, that all liability which the Commissioners may have hitherto incurred in respect of such goods has ceased.

(2) And shall also publish in one or more daily newspapers notice of the expiry of such liability, and shall specify therein the numbers, marks and descriptions of such goods, so far as the same may appear.

104. In case the such goods shall be removed to the public warehouses, then the consignee or owner shall be liable to the charges for warehousing goods in such public warehouses; and the goods shall remain subject to all liens to which they would have been liable if they had remained in the possession of the Commissioners, and to the power of sale hereinafter given.

105. If the master or owner of any vessel, or his agent, at or before the time of landing from such vessel any goods at any dock, wharf, quay, stage, jetty, or pier belonging to the Commissioners, shall give to the Commissioners notice in writing that such goods are to remain subject to a lien for freight or other charges payable to the ship-owner to an amount to be mentioned in such notice, such goods shall continue liable to the same lien (if any) for such charges as they were subject to before the landing thereof.

(2) Such goods shall be retained either in the warehouses and sheds of the Commissioners, or, with the consent of the Chief Officer of Customs, in the public warehouses, at the risk and expense of the owners of the goods, until the lien is discharged as hereinafter mentioned.

(Chapter V.—Of the powers of the Commissioners as Conservators of the Port—Sections 112.)

106. Upon the production to the officer of the Commissioners in that behalf of a document purporting to be a receipt for the amount claimed as due, or a release of freight from the person by or on whose behalf such notice shall have been given, it shall be lawful for the Commissioners to permit such goods to be removed without regard to such lien; provided they shall have used reasonable care in respect to the authenticity of such document.

107. If the tolls, dues, rates and charges payable to the Commissioners in respect of any goods under this Act are not paid, or if the lien of the ship-owner for freight where such notice as aforesaid has been given is not discharged, the Commissioners may, and in the latter event if required by or on behalf of the person claiming such lien for freight, shall, at the expiration of two months from the time when the goods were placed in their custody, or if the goods are of a perishable nature at such earlier period, being not less than twenty-four hours after the landing of the goods as they shall think fit, sell by public auction the said goods, or so much as may be necessary to satisfy the amounts hereinafter directed to be paid out of the produce of such sale.

108. Before making such sale, ten days' notice of the same shall be given by publication thereof in the *Calcutta Gazette*, unless the goods are of so perishable a nature as in the opinion of the officer of the Commissioners in that behalf to render immediate sale necessary or advisable, in which event such notice shall be given as the urgency of the case admits of. If the address of the owner of the goods has been stated on the manifest of the cargo, or in any of the documents which have come into the hands of the Commissioners, or is otherwise known, notice shall also be given to the owner of the goods by letter delivered at such address or sent by the post: but the title of a *bona fide* purchaser of such goods shall not be invalidated by reason of the omission to send the notice hereinbefore mentioned; nor shall any such purchaser be bound to inquire whether such notice has been sent.

109. In every case of any such sale as aforesaid, the moneys received from the sale shall be applied as follows:—

1st.—In payment of the expenses of the sale.  
2ndly.—In payment according to their respective priorities of the liens and claims excepted in section one hundred from the priority of the liens of the Commissioners for tolls, rates, and dues.

3rdly.—In payment of the tolls, charges, and expenses of landing, removing, storing or warehousing the same; and of all other charges due to the Commissioners under this Act in respect thereof.

(2) The surplus, if any, shall be paid to the importer, owner or consignee of the goods, or to his agent, on his applying for the same:

Provided that such application be made within one year from the sale of the goods, or good reason be shown why such application was not so made to the satisfaction of the Commissioners; and in case such application shall not be so made, nor reason shown, such surplus shall be held by the Commissioners upon trust for the purposes of this Act.

110. If the master of any vessel in respect of which any tolls, dues, rates, penalties, or charges shall be payable under this Act, or any rules or orders made in pursuance thereof, shall refuse or neglect to pay the same or any part thereof on demand, it shall be lawful for the Commissioners to apply to the Collector of Customs of the Port of Calcutta, and such Collector shall distrain or arrest of his own authority such vessel, and the tackle, apparel, and furniture belonging thereto, or any part thereof, and detain the same until the amount so due to the Commissioners shall be paid; and in case any part of the said tolls, dues, rates, penalties or charges, or of the costs of the distress or arrestment, or of the keeping of the same, shall remain unpaid for the space of five days next after any such distress or arrestment shall have been so made, the Collector of Customs may cause the vessel or other thing so distrained or arrested to be sold, and with the proceeds of such sale may satisfy such tolls, dues, rates, penalties or charges and costs, including the costs of sale, remaining unpaid; rendering the surplus (if any) to the master of such vessel on demand.

111. If the Commissioners shall give to the officer of Government, whose duty it shall be to grant the port clearance of any vessel, a notice stating that an amount therein specified is due in respect of tolls, dues, rates or charges or penalties chargeable under this Act, or any by-laws, rules or orders made in pursuance thereof against such vessel, or the owner or master of such vessel in respect thereof, or against or in respect of any goods on board such vessel, such officer shall not grant such port clearance until the amount so chargeable shall have been paid.

## CHAPTER V.

112. Any port dues, fees or other charges received by the Commissioners as Conservators of the Port shall be deemed to be a portion of their income, and shall be included in their annual estimates and accounts.

(2) And all the powers, authorities, and restrictions contained in this Act in respect of the works by this Act authorized shall apply, to the works which may be executed by the Commissioners as such Conservators, to the sanction thereof, the estimates therefor, and the expenditure thereunder.

## STATEMENT OF OBJECTS AND REASONS.

Act V (B.C.) of 1870, which established the Corporation of the Commissioners for making improvements in the Port of Calcutta, has been supplemented by a number of amending enactments, till there are now on the statute-book not less than nine laws dealing with the Calcutta Port Trust. It is thought desirable that these scattered Acts should be consolidated, and that the opportunity should be taken to introduce some further amendments into the law. The present number of 13 Commissioners has been found inconveniently small, and it is proposed to increase the number to 15, of whom two must be natives of India, and to provide for the election of one of the additional Commissioners by the representatives of the native mercantile community. It also appears expedient that the permanent officials of the Port Trust, the Chairman and Vice-Chairman, should not be appointed, like the other Commissioners, for a term of two years only, but should continue to hold office till their successors are appointed. Some obsolete sections of the present Acts have been omitted: the rules relating to the preparation and submission of the budget estimates have been revised: provision has been made for the grant of pensions to the Commissioners' employés: the powers and duties of the Port Police have been defined: and the liability which attaches to the Commissioners, in respect of goods left on their premises or under their charge, has been more clearly explained. With these objects the present Bill has been prepared.

No. IV of 1889.

## THE EMIGRANTS' SANITATION BILL.

## CONTENTS.

## SECTIONS.

1. Short title, extent and commencement of Act.
2. Definitions of—  
"Agent."  
"Dependent."  
"Emigrant."  
"Emigrate."  
"Labour-districts."
3. Power to make rules for protection in Bengal of the health of emigrants on their way to Assam.

No. IV of 1889.

*A Bill to provide for the sanitation of Emigrants during their passage through Bengal to the labour districts in Assam.*

WHEREAS it is provided in section seven of the Inland Emigration Act, 1882, that, subject to the provisions of section five of that Act, nothing in the Act is to be deemed to prohibit any native of India from emigrating to any of the labour districts otherwise than under the provisions of the Act;

And whereas natives of India emigrate in large numbers to the labour-districts otherwise than under those provisions;

And whereas in the territories administered by the Lieutenant-Governor of Bengal great

sickness and mortality have occurred among such emigrants on their way to the labour-districts;

It is hereby enacted as follows:—

1. This Act may be called the "Inland Short Title, extent and commencement of Act. Emigrants' Health Act, 1889";

(2) It extends to the whole of the territories administered by the Lieutenant-Governor of Bengal, and

(3) It shall come into force on the day on which it is published in the Calcutta Gazette with the assent of the Governor-General.

2. In this Act, unless there is something repugnant in the subject or context,—

"Agent" means a person who engages or assists a native of India to emigrate otherwise than under the provisions of the Inland Emigration Act, 1882.

"Dependent" means any woman (not being herself an emigrant), child, or aged or incapacitated relative or friend, accompanying an emigrant with the consent of the agent.

"Emigrant" means a native of India engaged or assisted by an agent so to emigrate.

"Emigrate" denotes the departure of any native of India of the age of sixteen years or upwards (other than a native of any of the labour-districts) from any part of India for the purpose of labouring for hire in any of the labour-districts otherwise than as a domestic servant.

"Labour-districts" means the districts of Lakhimpur, Sibsagar, Nowgong, Darrang, Kamrup, Goalpara, Khasi Hills, Cachar and Sylhet in the Chief Commissionership of Assam.

3. The Local Government may from time to time make rules with respect to any of the following matters, namely—

Power to make rules for protection in Bengal of the health of emigrants on their way to Assam

(a) the routes by which emigrants and their dependents are to travel on their way to any of the labour-districts;

(b) the depôts and rest-houses to be provided by, and at the cost of, agents for the accommodation of emigrants and their dependents on or off such routes, and the sanitation and superintendence of such depôts and rest-houses;

(c) the mode, and the numerical strength of the parties, in which emigrants and their dependents are to travel, the arrangements to be made by, and at the cost of, agents for facilitating their journey, the length of their daily marches by road, and the provision to be made by, and at the cost of, agents for the carriage of women and dependents and of emigrants suffering from sickness;

(d) the food to be supplied to emigrants and their dependents by, and at the cost of, agents, and the provision to be made by and at the cost of, agents for the proper cooking of such food;

(e) the water-supply to be maintained by, or at the cost of, agents for the use of emigrants and their dependents;

(f) the clothing to be supplied to emigrants and their dependents by, and at the cost of, agents;

(g) the hospital accommodation, medical treatment and maintenance to be provided by, or at the cost of,

agents for emigrants or their dependents suffering from sickness on their way to any of the labour-districts, and the arrangements to be so made, and maintenance so provided, for any emigrant and his dependents where either he or any of them is so suffering;

(h) the disposal of dead bodies of emigrants and their dependents at the cost of agents;

(i) the powers of entry and inspection which may be exercised for the purposes of any rule under this clause, and the authorities by whom those powers may be exercised;

(j) the mode of compelling agents to discharge their liabilities under any rule under this clause; and,

(k) generally, the giving effect to the purposes of this Act.

(2) In making any rule under this section, the Local Government may direct that a breach of it shall be punishable with fine which may extend to five hundred rupees, and, when the breach is a continuing breach, with a further fine which may extend to fifty rupees for every day after the first during which the breach continues.

(3) If a rule under this section authorises an officer of the Government to expend any public money in the event of default on the part of an agent to comply with any rule under that section, the money, together with simple interest thereon at the rate of six per cent. yearly, shall be recoverable from the agent under the provisions of the Public Demands Recovery Act, 1882.

(4) Nothing in the last foregoing clause shall be construed to bar a prosecution for any breach of a rule where the breach thereof has been made punishable in pursuance of the power conferred by clause (2) of this section.

#### STATEMENT OF OBJECTS AND REASONS.

THE Inland Emigration Act of 1882, following in this respect the tenour of the law previously in force, makes ample provision for the sanitary arrangements connected with "labourers" on their way to Assam; but little benefit results, because the definition of "labourer" given in the Act is so restricted that it does not, under existing circumstances, apply to the majority of the emigrants during their journey through Bengal. The term is limited to persons who have executed labour contracts—a proceeding now very generally deferred until the emigrants have arrived at their destination, or at least until they have passed beyond the confines of Bengal. The expediency of permitting contracts under the Act to be postponed to so late a stage is under consideration, but meanwhile it is urgently necessary to provide for the sanitary supervision of emigrants on their journey, and particularly for the inspection of the lodging-houses and depôts in which they are detained. This has been done in the present Bill by giving to the Lieutenant-Governor power to make rules for the sanitary protection of all emigrants, similar to those which he exercises under Act I of 1882 in regard to "labourers."

## STATEMENT OF OBJECTS AND REASONS.

THE cemeteries and burial-grounds in the neighbourhood of Calcutta have hitherto been under no adequate control or supervision. This especially applies to the public cemeteries in which large numbers are annually interred, without adequate precautions against using the same ground too frequently, or against other insanitary arrangements. A Committee largely composed of Mohammedan gentlemen has recommended the creation of a Mohammedan Burial Board constituted on the same general lines as the Christian Burial Board, as the best remedy for these evils.

2. It is proposed to vest it with powers to make rules for the management of public Mohammedan burial-grounds, a list of which is contained in the Schedule, and to authorize it to charge fees, not exceeding a maximum scale to be introduced into the Act, for the maintenance of these cemeteries. Power is also given to take over other cemeteries so as to provide for the wants of the Mohammedan community, which are in excess of the ground now available for the use of the public.

#### REPORT OF SELECT COMMITTEE.

We, the Committee appointed to consider the Bill for the protection of the right of fishing in private waters, beg to submit the following report :—

2. We have made certain alterations in the Preamble and in the section of "Definitions" which require no special comment.

3. We have slightly altered the form and amended the phraseology of section 3. We also consider the provisions of this section should not be made applicable to the case of a person desirous of fishing with a rod and line, or with a line only, in navigable rivers, and in accordance with this view we have added a paragraph to section 3, giving effect to this conclusion.

4. We consider that the power which, under section 6, makes it possible for the owner of a private fishery to seize and take possession of any contrivance illegally used for the purpose of taking fish might lead to abuse, and in some cases prove an incentive to an act of breach of the peace. The section which we deem it desirable to substitute for section 6, after declaring that such contrivance shall be forfeited, reserves to the Magistrate of the district or to the person acting under his authority, the right to remove and take possession of such contrivance after forfeiture.

5. An opinion was expressed and supported by more than one member of the Select Committee that the penal provisions of the Bill should be specifically exempted from operation in all cases where a person fishing in private waters was found to have so acted under a fair and reasonable supposition that he had a right to do the act complained of. We consider this to be a matter which can more fitly be discussed as a substantive amendment introduced by the member who advocates its insertion, when the Bill next comes up for consideration by the Council. For the present we desire to express no opinion on its merits.

6. Subject to the reservation contained in the last paragraph, we recommend that the Bill, as amended by us, be passed.

### Bills of the Bengal Council.

GOVERNMENT OF BENGAL.

#### LEGISLATIVE DEPARTMENT.

The following Report of Select Committee, together with the Bill as amended by them, is, by order of the President, published for general information :—

#### REPORT OF SELECT COMMITTEE.

1. We, the Committee appointed to consider the Bill "to provide for the appointment of a Muhammadan Burial Board in Calcutta," beg to submit the following report :—

2. We have amended the definition of a "Public Muhammadan burial ground" so as to make it correspond more accurately with the cemeteries which it is proposed to place under the Board.

3. We have introduced into the Act provisions to safeguard the legitimate interests of those persons other than Muhammadans who have hitherto buried their dead in Muhammadan cemeteries. We learn that in some cemeteries a portion is set apart for the interment of low-caste Hindus: in other cemeteries Hindus sometimes bury without apparently any right to do so in all parts of the cemetery. The Muhammadan Board will, we are of opinion, be fully justified in prohibiting this in future, but such portions of cemeteries as have been set apart for Hindus ought, we think, to be reserved for their future use. We are informed by our colleague, Prince Furrokh Shah, that no Muhammadan Board would consent to undertake the superintendence of these portions. We have therefore in section 6 provided for their exclusion from the jurisdiction of the Board, vesting the Executive Government with the power of defining what these portions are. One of the cemeteries enumerated in the Schedule, i.e., No. 5, Chota Gobra Gorastan, we have altogether omitted, having ascertained that it was exclusively set apart for Hindus.

4. We think, however, that the opportunity ought not to be lost of making due provision for the superintendence of the excluded portions. We have therefore arranged to place them under a Board consisting of the three officers enumerated in section 4, and to vest this Board with the same power of making rules for the regulation of interments in these portions as the Muhammadan Board will have in the Muhammadan cemeteries. It is probable that the practical effect of this will be to bring these burying grounds under substantially the same Code of rules as the larger and more important Muhammadan cemeteries. We have also modified the title of the Bill so as to comprehend this object.

5. We have added a section definitely enabling the Board to purchase or acquire land for the extension of any burial ground under its charge, or for forming a new public burial ground.

I decline to sign the report. The Bill introduced into the Council was for the appointment of a Muhammadan Burial Board. It is not competent to a Committee, to which that Bill was referred, to substitute for it a totally different Bill as has been done. The title of the Bill has been changed without authority, and matters altogether outside the burial of Muhammadans have been added.

(4) Nothing in the last foregoing clause shall be construed to bar a prosecution for any breach of a rule where the breach thereof has been made punishable in pursuance of the power conferred by clause (2) of this section.

## STATEMENT OF OBJECTS AND REASONS.

THE Inland Emigration Act of 1882, following in this respect the tenour of the law previously in force, makes ample provision for the sanitary arrangements connected with "labourers" on their way to Assam; but little benefit results, because the definition of "labourer" given in the Act is so restricted that it does not, under existing circumstances, apply to the majority of the emigrants during their journey through Bengal. The term is limited to persons who have executed labour contracts—a proceeding now very generally resorted to until the emigrants have arrived at their destination, or at least until they have passed beyond the confines of Bengal. The expediency of permitting contracts under the Act to be postponed to so late a stage is under consideration, but meanwhile it is urgently necessary to provide for the sanitary supervision of emigrants on their journey, and particularly for the inspection of the lodging-houses and depots in which they are detained. This has been done in the present Bill by giving to the Lieutenant-Governor power to make rules for the sanitary protection of all emigrants, similar to those which he exercises under Act I of 1852 in regard to "labourers."

shall be punished for a first offence with a fine not exceeding fifty rupees;

and for a subsequent offence with imprisonment for a term not exceeding one month, or with a fine not exceeding two hundred rupees, or both.

4. Whoever enters upon the land in the possession of another or upon private waters with intent to commit any of the offences specified in the last preceding section, shall be punished with a fine not exceeding fifty rupees.

5. Offences committed under this Act shall be considered to be "cognizable offences" as defined in the Code of Criminal Procedure.

6. Any obstruction or engine erected, placed maintained or used in contravention of section three, and any fish taken by means of such obstruction or engine, or by putting in such matter as therein mentioned, may be seized, and shall thereupon become the property of the owner of such private waters, or the person having a right of fishing therein, and such obstruction or engine may be taken possession of by such owner or person aforesaid, or such person as he may appoint in that behalf.

#### STATEMENT OF OBJECTS AND REASONS.

The object of this Bill is to constitute the infringement of private rights of fishery an offence, to render a trespass for the purposes of such infringement also an offence, and to provide for punishment in respect of the unlawful use of contrivances for the purpose of taking fish.

2. The reason for legislative interference is that, under the existing law, private rights of fishery are not effectively or sufficiently protected.

No. II of 1889.

*A Bill to consolidate the Calcutta and the Suburban Police Superannuation Funds.*

WHEREAS it is expedient to consolidate the Calcutta Police Superannuation Fund constituted under section 16 of Bengal Act IV of 1866 (the Calcutta Police Act, 1866), and the Suburban Police Superannuation Fund constituted under section 10 of Bengal Act II of 1866 (an Act to provide for the better regulation of the Police within the Suburbs of the Town of Calcutta): It is enacted as follows:—

1. Section 16 of Act IV (B.C.) of 1866, and section 10 of Act II (B.C.) of 1866, from the words "and shall be applied" to the end of the said sections, respectively, are hereby repealed.

2. The Police Superannuation Funds, constituted respectively under section 16 of Act IV (B.C.) of 1866, and section 10 of Act II (B.C.) of 1866, shall be consolidated, and shall form one Police Superannuation Fund; and shall be applied from time to time to the payment of the charges incurred in the control and management of the said fund, and of such superannuation or retiring allowances or gratuities as may be ordered by the Local Government at any time to any Police Officer of the Calcutta or Suburban Police Force or to any person employed as a clerk to manage the said fund:

Provided that any such Police Officer or clerk may be dismissed or removed without a superannuation allowance; and that no such Police Officer or clerk shall be entitled as of right to any allowance from the said Fund, or shall retain any right to a refund of any deduction made from his pay while employed as such Police Officer or clerk.

3. Section 17 of Act IV (B.C.) of 1866, and section 11 of Act II (B.C.) of 1866, are hereby repealed.

4. All sums accruing from stoppages from Police Officers of the Calcutta or Suburban Police Force during absence from sickness or other cause, and fines imposed on such Police Officers for misconduct, and from fines imposed by Magistrates upon drunken persons, or for assaults upon such Police Officers; and all moneys arising from the sale of worn or cast-off clothing or other articles supplied for the use of such members, shall be credited to the Police Superannuation Fund, or to such other Police Fund as the Local Government may, from time to time, direct.

5. The Local Government may, from time to time, make rules to regulate the granting of pensions and gratuities out of the said Fund.

STATEMENT OF OBJECTS AND REASONS.

• The Superannuation Funds for the Police Force of the Town and the Police Force of the Suburbs are at present distinct, and the former is in a flourishing financial condition, while the latter is clearly not solvent. This has been brought about by causes which indicate that the burdens of the one fund have in many cases been thrown upon the other, that for executive purposes the two forces have often been treated as one, and that it would be an act of substantial justice to consolidate the two funds.

Provided that no Commissioner shall vacate his office by reason only of his being a shareholder in any Company registered under the provisions of any Act for the registration of joint-stock companies, passed by any Indian Legislature or by the Parliament of the United Kingdom, or incorporated by Act of Parliament, Royal Charter, or otherwise, with which the Commissioners may enter into any contract, or by reason of his being interested in any loan of money to the Commissioners:

Provided also that no Commissioner shall vacate his office by reason of his being interested in any purchase or lease of land or premises, the sale or lease of which the Commissioners may determine on at a meeting under the provisions of this Act; or of his being interested in any agreement under which facilities may be granted for the landing and shipment of goods in return for stipulated income guaranteed to the Commissioners in consideration of their undertaking to construct or provide such facilities.

## CHAPTER III.

## OF THE BORROWING POWERS OF THE COMMISSION.

**18.** There shall be deemed and taken to be due from the Commissioners to the Secretary of State for India in Council, immediately upon the passing of this Act, the two separate sums mentioned in the Fourth Schedule of this Act. **20.** When an order has been published under the last preceding section, it shall be lawful for the Commissioners to borrow any sums of money the Commissioners may require for the objects in the last preceding section mentioned by way of debenture, on the security of the property now vested, or which may hereafter become vested, in the Commissioners; and the tolls, dues, rates, rents and charges leviable under this Act, less the sum of five-and-a-half lakhs set apart by the Commissioners as a reserve fund prior to the passing of this Act, and the further sums set apart by the Commissioners as a sinking fund for the purpose of paying off the loans contracted under the authority of this Act or any enactment hereby repealed.

**21.** All debentures which are issued under the authority of this Act shall be in the form prescribed in the Second Schedule, or in such other form as may, from time to time, be approved by the Commissioners and the Local Government; and shall be transferable by endorsement, and the right to sue in respect of the moneys secured by any of such debentures, or the debentures issued under the authority of any enactment hereby repealed, shall be vested in the holders thereof for the time being without any preference by reason of some of such debentures being prior in date to others.

## Calcutta Port Bill.

(Chapter III.—Of the Borrowing Powers of the Commission—Sections 22—28.)

(Chapter IV.—Of the General Powers of the Commission—Part I.—Of the Duties of the Commission—Section 29—31.)

22. All loans contracted by the Commissioners, whether by way of debentures or otherwise, shall be a first charge on the property now vested, or which hereafter may become vested, in the Commissioners; and on the tolls, dues, rates, rents and charges leviable under this Act as provided by section twenty.

23. The Commissioners may at any time, with the previous sanction of the Governor-General in Council, raise, either by borrowing from the Secretary of State for India in Council or by way of debenture, any money that may be required to pay any amount for the time being due under the authority of this Act or any enactment hereby repealed.

24. Unless the Local Government, with the previous sanction of the Governor-General in Council, shall, by an order published in the *Calcutta Gazette*, otherwise direct, all loans contracted by the Commissioners under this Act shall be contracted in India and in the Indian currency.

25. The Commissioners shall, in respect of each loan contracted by them by way of debenture under section twenty and section twenty-three of this Act, set aside half-yearly out of their income before making any disbursements a sinking fund of such an amount as will suffice to liquidate each such loan within a period not exceeding thirty years from the date of the contracting of the same.

The Commissioners may at any time apply the whole or any part of a sinking fund set apart under this section in or towards the discharge of the moneys for the repayment of which the fund has been established, provided that they pay into the fund in each year, and accumulate, until the whole of the moneys borrowed are discharged, a sum equivalent to the interest which would have been produced by the sinking fund or the part of the sinking fund so applied.

(2) Such sinking fund shall be invested in the names of two persons as trustees; one the Commissioners, and one to be appointed by the Local Government, in the promissory notes, debentures, and other securities of the Government of India, or in the debentures issued by the Commissioners under this Act.

26. It shall be lawful for the Commissioners, from time to time, to borrow moneys from the Secretary of State for India in Council at such rate of interest and upon such terms as to the time of repayment and otherwise as the Governor-General in Council may approve for the construction, equipment, maintenance and management of any works or arrangements sanctioned by the Local Government under this Act.

27. In case of default of payment of any interest, the Secretary of State for India in Council shall have the same remedies as may be available to other creditors of the Commissioners under this Act; but nothing in this Act shall be deemed to confer upon the said Secretary of State for India in Council any prior or greater right than that conferred upon other creditors of the Commissioners under this Act.

28. It shall be lawful for the Commissioners, if they think fit, out of any moneys which may come into their hands under the provisions of this Act, and which can be so applied without prejudicing the security of the other creditors of the Commissioners under this Act, to repay to the said Secretary of State for India in Council any sum which for the time being may remain due to him under the provisions of this Act for principal; although the time fixed for the repayment of the same shall not have arrived:

Provided that no such repayment shall be made of any sum less than ten thousand rupees, and that, if such repayment is made, the amount of interest in each succeeding half-yearly instalment shall be adjusted so as to represent exactly the interest due on the outstanding principal.

## CHAPTER IV.

## OF THE GENERAL POWERS OF THE COMMISSION.

## PART I.—Of the Duties of the Commission.

29. No act or proceeding of the Commissioners shall be invalidated or illegal in consequence only of there being a vacancy in the number of the Commissioners at the time of doing or executing such act or proceeding. ## PART VIII.—Of Levying Tolls and Rates.

92. The Commissioners shall frame a scale of tolls, dues, rates and charges for the landing and shipment of goods from and into sea-going vessels at the docks,

wharves, quays, stages, jetties and piers, belonging to the Commissioners, and for the use thereof by such vessels, and for the storing and keeping of any goods stored in any premises belonging to them, and for the removal of goods, and for the use of any moorings laid down or acquired by the Commissioners, and for the towage of vessels by the steam-vessels of the Commissioners into, out of, in, or upon, the river Hughli or in the Port.

93. The Commissioners shall also frame a scale of tolls, dues, rates and charges for the landing and shipment of goods into and out of any vessel (not being a sea-going vessel); and also a scale of tolls for the use of the said docks, wharves, quays, moorings, stages, jetties, and piers by any such vessel, in case the Commissioners shall permit the goods to be landed or shipped by other than their own officers and servants.

94. The Commissioners shall also frame a scale of charges for any services to be performed by the Commissioners or their servants in respect of any vessel or goods, or for the use of any works or appliances to be provided by the Commissioners.

95. The Commissioners shall also frame a scale of tolls, annual or other, to be paid by the owners of any vessels plying for hire, whether regularly or occasionally within, or partly within and partly without, the limits of the Port:

Provided that no such tolls shall be chargeable in respect of vessels which are liable to pay port dues under the provisions of Schedule I of the Indian Ports Act, 1889.

96. Such scale of tolls, dues, rates and charges shall be adopted by a resolution of the Commissioners at a meeting, and shall be submitted to the Local Government; and after receiving its approval, shall be published by the Commissioners in the *Calcutta Gazette*; and may from time to time, subject to the like approval and publication, be in like manner altered.

97. If, on the preparation of the estimate of any year, it shall appear that the estimated income of the Commissioners for such year, after deducting therefrom the estimated expenditure of such year to be incurred under this Act, will be insufficient for the payment of the sums which, under the provisions of this Act, will be payable during such year to the Secretary of State for India in Council, and to the holders of debentures under this Act or any enactment hereby repealed, or if at any time in the course of a year it may appear that the actual income of such portion of the year as may have then elapsed and the estimated income of the residue of such year, after deducting therefrom the actual expenditure of such past portion and the estimated expenditure of such residue,

## Calcutta Port Bill.

## (Part VIII.—Of Levying Tolls and Rates—Sections 98—105.)

will be so insufficient, then and in every such case the Commissioners shall, upon the requisition in writing of the Local Government, from time to time, and to the extent requisite in every case, charge upon all goods landed from or shipped into any vessel lying or being within the limits of the port, whether such goods shall or shall not be so landed or shipped at any dock, wharf, quay, stage, jetty, or pier belonging to the Commissioners, such tolls, dues, rates, and charges, in addition to or other than those prescribed by any scale of tolls, dues, rates and charges for the time being in force under the provisions of sections ninety-two, ninety-three, ninety-four, ninety-five and ninety-six as well, when added to the said income of the year, suffice as nearly as may be for the payment of the said sums in full.

98. Such tolls, dues, rates, and charges shall be fixed and adopted by a resolution of the Commissioners at a meeting, and shall be submitted to the Local Government; and if the same shall be approved by it, shall be published in the *Calcutta Gazette* and shall forthwith come into operation and remain in operation until altered or revoked by the Commissioners at a meeting with the sanction of the Local Government, and shall be leviable and recoverable in like manner as any other tolls, dues, rates, and charges payable under this Act.

99. In case the Commissioners shall, for fifteen days after the receipt by them of any such requisition from the Local Government as in section ninety-seven is mentioned, neglect or refuse to charge such tolls, dues, rates, and charges, it shall be lawful for the Local Government, by an order published in the *Calcutta Gazette*, to charge such tolls, dues, rates, and charges.

(2) And the tolls, dues, rates, and charges mentioned in such order shall have such and the same effect as if they had been fixed and adopted by the Commissioners at a meeting, and approved by the Local Government and published in the *Calcutta Gazette*, as in section ninety-eight is mentioned.

100. For the amount of all tolls, dues, rates and charges, duly leviable under this Act in respect of any goods, the Commissioners shall have a lien on such goods, and shall be entitled to seize and detain the same until such tolls, dues, rates, and charges are fully paid. Tolls, dues, rates, and charges in respect of goods to be landed shall become payable immediately on the landing of the goods. Tolls, dues, rates, and charges in respect of goods to be removed from the premises of the Commissioners, or to be shipped for export, shall be payable before the goods are removed or shipped. The lien for such tolls, dues, rates, and charges shall have priority over all other liens and claims, except for general average, for the ship-owner's lien for freight upon the said goods where such lien exists and has been preserved in the manner hereinafter provided, for primage, and for money payable to Her Majesty or the Secretary of State for India in Council under any law for the time being in force:

Provided that nothing in this Act shall affect any power or authority vested in the Chief Officer of Customs under any law for the time being in force.

101. The Commissioners shall not be liable for any damage which may be sustained through any cause not arising from negligence on the part of the Commissioners, to any goods whether landed for import or received for export during such time as the said goods remain in the possession or under the control of the Commissioners.

102. The Commissioners shall immediately upon the landing of any goods take charge thereof and store such as are liable to suffer from exposure in any shed or warehouse belonging to the Commissioners. If any owner, without any default on the part of the Commissioners, fail to remove any goods from the premises of the Commissioners within forty-eight hours from the time of landing, such goods shall remain on the premises at the sole risk and expense of the owner.

103. Whenever the owner of any goods fails to remove the same within the time specified in the last preceding section, the Commissioners shall give notice to the consignee or owner of such goods, if his address be known by letter sent by post to such address or left thereat, that all liability which the Commissioners may have hitherto incurred in respect of such goods has ceased. (2) And shall also publish in one or more daily newspapers notice of the expiry of such liability, and shall specify therein the numbers, marks and descriptions of such goods, so far as the same may appear.

104. In case the such goods shall be removed to the public warehouses, then the consignee or owner shall be liable to the charges for warehousing goods in such public warehouses; and the goods shall remain subject to all liens to which they would have been liable if they had remained in the possession of the Commissioners, and to the power of sale hereinafter given.

105. If the master or owner of any vessel, or his agent, at or before the time of landing of such vessel any goods at any dock, wharf, quay, stage, jetty, or pier belonging to the Commissioners, shall give to the Commissioners notice in writing that such goods are to remain subject to a lien for freight or other charges payable to the ship-owner to an amount to be mentioned in such notice, such goods shall continue liable to the same lien (if any) for such charges as they were subject to before the landing thereof.

(2) Such goods shall be retained either in the warehouses and sheds of the Commissioners, or, with the consent of the Chief Officer of Customs, in the public warehouses, at the risk and expense of the owners of the goods, until the lien is discharged as hereinafter mentioned.

(Chapter V.—Of the powers of the Commissioners as Conservators of the Port—Sections 112.)

106. Upon the production to the officer of the Commissioners in that behalf of a document purporting to be a receipt for the amount claimed as due, or a release of freight from the person by or on whose behalf such notice shall have been given, it shall be lawful for the Commissioners to permit such goods to be removed without regard to such lien; provided they shall have used reasonable care in respect to the authenticity of such document.

107. If the tolls, dues, rates and charges payable to the Commissioners in respect of any goods under this Act are not paid, or if the lien of the ship-owner for freight where such notice as aforesaid has been given is not discharged, the Commissioners may, and in the latter event if required by or on behalf of the person claiming such lien for freight, shall, at the expiration of two months from the time when the goods were placed in their custody, or if the goods are of a perishable nature at such earlier period, being not less than twenty-four hours after the landing of the goods as they shall think fit, sell by public auction the said goods, or so much as may be necessary to satisfy the amounts hereinafter directed to be paid out of the produce of such sale.

108. Before making such sale, ten days' notice of the same shall be given by publication thereof in the *Calcutta Gazette*, unless the goods are of so perishable a nature as in the opinion of the officer of the Commissioners in that behalf to render immediate sale necessary or advisable, in which event such notice shall be given as the urgency of the case admits of. If the address of the owner of the goods has been stated on the manifest of the cargo, or in any of the documents which have come into the hands of the Commissioners, or is otherwise known, notice shall also be given to the owner of the goods by letter delivered at such address or sent by the post: but the title of a bond fide purchaser of such goods shall not be invalidated by reason of the omission to send the notice hereinbefore mentioned; nor shall any such purchaser be bound to inquire whether such notice has been sent.

109. In every case of any such sale as aforesaid, the moneys received from the sale shall be applied as follows:—

1st.—In payment of the expenses of the sale.  
2ndly.—In payment according to their respective priorities of the liens and claims exempted in section one hundred from the priority of the liens of the Commissioners for tolls, rates, and dues.  
3rdly.—In payment of the tolls, charges, and expenses of landing, removing, storing or warehousing the same; and of all other charges due to the Commissioners under this Act in respect thereof.

(2) The surplus, if any, shall be paid to the importer, owner or consignee of the goods, or to his agent, on his applying for the same:

Provided that such application be made within one year from the sale of the goods, or good reason be shown why such application was not so made to the satisfaction of the Commissioners; and in case such application shall not be so made, nor reason shown, such surplus shall be held by the Commissioners upon trust for the purposes of this Act.

110. If the master of any vessel in respect of which any tolls, dues, rates, penalties, or charges shall be payable under this Act,

Power to distrain vessels for non-payment of tolls.

or any rules or orders made in pursuance thereof, shall refuse or neglect to pay the same or any part thereof on demand, it shall be lawful for the Commissioners to apply to the Collector of Customs of the Port of Calcutta, and such Collector shall distrain or arrest of his own authority such vessel, and the tackle, apparel, and furniture belonging thereto, or any part thereof, and detain the same until the amount so due to the Commissioners shall be paid; and in case any part of the said tolls, dues, rates, penalties or charges, or of the costs of the distress or arrestment, or of the keeping of the same, shall remain unpaid for the space of five days next after any such distress or arrestment shall have been so made, the Collector of Customs may cause the vessel or other thing so distrained or arrested to be sold, and with the proceeds of such sale may satisfy such tolls, dues, rates, penalties or charges and costs, including the costs of sale, remaining unpaid; rendering the surplus (if any) to the master of such vessel on demand.

111. If the Commissioners shall give to the officer of Government, whose duty it shall be to grant the port clearance of any vessel, a notice stating that an amount therein specified is due in respect of tolls, dues, rates or charges or penalties chargeable under this Act, or any bye-laws, rules or orders made in pursuance thereof against such vessel, or the owner or master of such vessel in respect thereof, or against or in respect of any goods on board such vessel, such officer shall not grant such port clearance until the amount so chargeable shall have been paid.

## CHAPTER V.

## OF THE POWERS OF THE COMMISSIONERS AS CONSERVATORS OF THE PORT.

112. Any port dues, fees or other charges received by the Commissioners as Conservators of the Port shall be deemed to be a portion of their income, and shall be included in their annual estimates and accounts.

(2). And all the powers, authorities, and restrictions contained in this Act in respect of the works by this Act authorised shall apply, to the works which may be executed by the Commissioners as such Conservators, to the sanction thereof, the estimates therefor, and the expenditure thereunder.

Port dues received as Conservators to form part of income of Commissioners, and to be included in estimate.

Works executed by Commissioners as Conservators to be deemed works executed under this Act.

## STATEMENT OF OBJECTS AND REASONS.

Act V (B.C.) of 1870, which established the Corporation of the Commissioners for making improvements in the Port of Calcutta, has been supplemented by a number of amending enactments, till there are now on the statute-book not less than nine laws dealing with the Calcutta Port Trust. It is thought desirable that these scattered Acts should be consolidated, and that the opportunity should be taken to introduce some further amendments into the law. The present number of 13 Commissioners has been found inconveniently small, and it is proposed to increase the number to 15, of whom two must be natives of India, and to provide for the election of one of the additional Commissioners by the representatives of the native mercantile community. It also appears expedient that the permanent officials of the Port Trust, the Chairman and Vice-Chairman, should not be appointed, like the other Commissioners, for a term of two years only, but should continue to hold office till their successors are appointed. Some obsolete sections of the present Acts have been omitted: the rules relating to the preparation and submission of the budget estimates have been revised: provision has been made for the grant of pensions to the Commissioners' employees: the powers and duties of the Port Police have been defined: and the liability which attaches to the Commissioners, in respect of goods left on their premises or under their charge, has been more clearly explained. With these objects the present Bill has been prepared.

No. IV of 1889.

## THE EMIGRANTS' SANITATION BILL.

## CONTENTS.

## SECTIONS.

No. IV of 1889.

*A Bill to provide for the sanitation of Emigrants during their passage through Bengal to the labour districts in Assam.*

WHEREAS it is provided in section seven of the Inland Emigration Act, 1882, that, subject to the provisions of section five of that Act, nothing in the Act is to be deemed to prohibit any native of India from emigrating to any of the labour districts otherwise than under the provisions of the Act;

And whereas natives of India emigrate in large numbers to the labour-districts otherwise than under those provisions;

And whereas in the territories administered by the Lieutenant-Governor of Bengal great

sickness and mortality have occurred among such emigrants on their way to the labour-districts;

It is hereby enacted as follows:—

1. This Act may be called the “Inland Emigrants’ Health Act, 1889”;

(2) It extends to the whole of the territories administered by the Lieutenant-Governor of Bengal, and

(3) It shall come into force on the day on which it is published in the *Calcutta Gazette* with the assent of the Governor-General.

(c) the mode, and the numerical strength of the parties, in which emigrants and their dependents are to travel, the arrangements to be made by, and at the cost of, agents for facilitating their journey, the length of their daily marches by road, and the provision to be made by, and at the cost of, agents for the carriage of women and dependents and of emigrants suffering from sickness;

(d) the food to be supplied to emigrants and their dependents by, and at the cost of, agents, and the provision to be made by, and at the cost of, agents for the proper cooking of such food;

(j) the mode of compelling agents to discharge their liabilities under any rule under this clause; and,

(k) generally, the giving effect to the purposes of this Act.

(2) In making any rule under this section, the Local Government may direct that a breach of it shall be punishable with fine which may extend to five hundred rupees, and, when the breach is a continuing breach, with a further fine which may extend to fifty rupees for every day after the first during which the breach continues.

(3) If a rule under this section authorises an officer of the Government to expend any public money in the event of default on the part of an agent to comply with any rule under that section, the money, together with simple interest thereon at the rate of six per cent. yearly, shall be recoverable from the agent under the provisions of the Public Demands Recovery Act, 1882.

(4) Nothing in the last foregoing clause shall be construed to bar a prosecution for any breach of a rule where the breach thereof has been made punishable in pursuance of the power conferred by clause (2) of this section.

#### STATEMENT OF OBJECTS AND REASONS.

The Inland Emigration Act of 1882, following in this respect the tenour of the law previously in force, makes ample provision for the sanitary arrangements connected with "labourers" on their way to Assam; but little benefit results, because the definition of "labourer" given in the Act is so restricted that it does not, under existing circumstances, apply to the majority of the emigrants during their journey through Bengal. The term is limited to persons who have executed labour contracts—a proceeding now very generally deferred until the emigrants have arrived at their destination, or at least until they have passed beyond the confines of Bengal. The expediency of permitting contracts under the Act to be postponed to so late a stage is under consideration, but meanwhile it is urgently necessary to provide for the sanitary supervision of emigrants on their journey, and particularly for the inspection of the lodging-houses and depôts in which they are detained. This has been done in the present Bill by giving to the Lieutenant-Governor power to make rules for the sanitary protection of all emigrants, similar to those which he exercises under Act I of 1882 in regard to "labourers."

## STATEMENT OF OBJECTS AND REASONS.

THE cemeteries and burial-grounds in the neighbourhood of Calcutta have hitherto been under no adequate control or supervision. This especially applies to the public cemeteries in which large numbers are annually interred, without adequate precautions against using the same ground too frequently, or against other insanitary arrangements. A Committee largely composed of Mohammedan gentlemen has recommended the creation of a Mohammedan Burial Board constituted on the same general lines as the Christian Burial Board, as the best remedy for these evils.

2. It is proposed to vest it with powers to make rules for the management of public Mohammedan burial-grounds, a list of which is contained in the Schedule, and to authorize it to charge fees, not exceeding a maximum scale to be introduced into the Act, for the maintenance of these cemeteries. Power is also given to take over other cemeteries so as to provide for the wants of the Mohammedan community, which are in excess of the ground now available for the use of the public.

The following Report of the Select Committee, together with the Bill as amended by them is, by order of the President, published for general information :—

### REPORT OF SELECT COMMITTEE.

We, the Committee appointed to consider the Bill for the protection of the right of fishing in private waters, beg to submit the following report :—

2. We have made certain alterations in the Preamble and in the section of "Definitions" which require no special comment.

3. We have slightly altered the form and amended the phraseology of section 3. We also consider the provisions of this section should not be made applicable to the case of a person desirous of fishing with a rod and line, or with a line only, in navigable rivers, and in accordance with this view we have added a paragraph to section 3, giving effect to this conclusion.

4. We consider that the power which, under section 6, makes it possible for the owner of a private fishery to seize and take possession of any contrivance illegally used for the purpose of taking fish might lead to abuse, and in some cases prove an incentive to an act of breach of the peace. The section which we deem it desirable to substitute for section 6, after declaring that such contrivance shall be forfeited, reserves to the Magistrate of the district or to the person acting under his authority, the right to remove and take possession of such contrivance after forfeiture.

5. An opinion was expressed and supported by more than one member of the Select Committee that the penal provisions of the Bill should be specifically exempted from operation in all cases where a person fishing in private waters was found to have so acted under a fair and reasonable supposition that he had a right to do the act complained of. We consider this to be a matter which can more fitly be discussed as a substantive amendment introduced by the member who advocates its insertion, when the Bill next comes up for consideration by the Council. For the present we desire to express no opinion on its merits.

6. Subject to the reservation contained in the last paragraph, we recommend that the Bill, as amended by us, be passed.

### Bills of the Bengal Council.

GOVERNMENT OF BENGAL.

#### LEGISLATIVE DEPARTMENT.

The following Report of Select Committee, together with the Bill as amended by them is, by order of the President, published for general information:—

#### REPORT OF SELECT COMMITTEE.

1. We, the Committee appointed to consider the Bill "to provide for the appointment of a Muhammadan Burial Board in Calcutta," beg to submit the following report:—

2. We have amended the definition of a "Public Muhammadan burial ground" so as to make it correspond more accurately with the cemeteries which it is proposed to place under the Board.

3. We have introduced into the Act provisions to safeguard the legitimate interests of those persons other than Muhammadans who have hitherto buried their dead in Muhammadan cemeteries. We learn that in some cemeteries a portion is set apart for the interment of low-caste Hindus: in other cemeteries Hindus sometimes bury without apparently any right to do so in all parts of the cemetery. The Muhammadan Board will, we are of opinion, be fully justified in prohibiting this in future, but such portions of cemeteries as have been set apart for Hindus ought, we think, to be reserved for their future use. We are informed by our colleague, Prince Furrokh Shah, that no Muhammadan Board would consent to undertake the superintendence of these portions. We have therefore in section 6 provided for their exclusion from the jurisdiction of the Board, vesting the Executive Government with the power of defining what these portions are. One of the cemeteries enumerated in the Schedule, i.e., No. 5, Chota Gobra Gorastan, we have altogether omitted, having ascertained that it was exclusively set apart for Hindus.

4. We think, however, that the opportunity ought not to be lost of making due provision for the superintendence of the excluded portions. We have therefore arranged to place them under a Board consisting of the three officers enumerated in section 4, and to vest this Board with the same power of making rules for the regulation of interments in these portions as the Muhammadan Board will have in the Muhammadan cemeteries. It is probable that the practical effect of this will be to bring these burying grounds under substantially the same Code of rules as the larger and more important Muhammadan cemeteries. We have also modified the title of the Bill so as to comprehend this object.

5. We have added a section definitely enabling the Board to purchase or acquire land for the extension of any burial ground under its charge, or for forming a new public burial ground.

The title of the Act should be altered so as to correspond with the extended scope of the Bill.

MAHENDRA LAL SIRCAR.

I decline to sign the report. The Bill introduced into the Council was for the appointment of a Muhammadan Burial Board. It is not competent to a Committee, to which that Bill was referred, to substitute for it a totally different Bill as has been done. The title of the Bill has been changed without authority, and matters altogether outside the burial of Muhammadans have been added.
